NSDG - Save Our Surgery

Dear Friends and Neighbours

As you have probably heard by now, despite our best efforts, the Board of the Wiltshire Primary Care Trust (PCT) have decided there was no special reason to keep a surgery in Netheravon. On 18th Sep the Board decided to accept the proposal made by the Avon Valley Practice (AVP) that they could close our surgery and concentrate their work in Upavon and Durrington. As mitigating measures the Board also accepted the proposal to increase opening hours, increase home visits and set up a delivery service for repeat prescriptions. These have yet to be defined and agreed, and we are not aware if any charges are to be made for the delivery service.

It is difficult to explain why they made this decision. In the formal meeting they asked no questions and voted unanimously against us. The key factors appeared to us to be: the chairman's opening statement that the PCT was badly over committed financially and the presentation to the Board by Alison Knowles (Director Wilts PCT Corporate Communications) that painted a picture of Netheravon ward as a prosperous community, with better health and no greater problem of access than most other rural communities in Wiltshire.

We cannot comment on the PCT's financial position. However at the March public meeting the PCT representative, Lisa Harding, commented that the cost was 'peanuts'. In our meetings with her, Alison Knowles repeatedly used similar expressions and assured us that funding would not be the deciding issue.

We argued strongly in our written submission and in a presentation to the Board that their assessment of our relative wealth was wrong and that they were making unfair comparisons with smaller communities that didn't have or even expect to have a local surgery. We warned the Board of serious errors in their data, and showed how the way in which they used national census data failed to identify the needs of or within our community.

Our own survey with over 50% returns and more detailed questions of priorities, needs and circumstances produced far more detailed results than the PCT consultation questionnaire with its less than 20% return. Ours clearly showed that for over 90% the priority is for local access rather than the offer of better services in Upavon or Durrington. It also showed the substantial number of people who most frequently use the surgery and that they are also, surprise surprise, those who do not have daily access to a car and have difficulty using the bus. We also demonstrated that the size of our community would financially support a surgery, and identified that there was another organisation interested in operating a surgery in the village. A full copy of our submission to the PCT Board is available to read in the Netheravon Library.

What may have been the clincher for the Board is this. You will remember that at the public meeting in the Church on 9th July, the AVP said that, if the PCT decided there was a need to maintain a surgery, they would reconsider. They said much the same to our MP, Michael Ancram, when he visited them to try to convince them to stay. However this changed. At a meeting with the PCT earlier this month, all three of the AVP doctors made it clear that their decision to withdraw was final. Rather too late for other practices to see the opportunity.

To pile on the agony a group of us also went to the Wiltshire Health Overview and Scrutiny Committee meeting on 20th Sep. We heard councillors congratulating the PCT on a well conducted consultation and one saying how our problem was nothing when his town was losing a local hospital! One of the Committee's appointed consultation observers stated that much of the PCT data had not been available until the last minute and therefore had not been checked. But that passed them by. We did manage to get the committee to agree to ask the PCT to look into the suggestion they had made in their consultation document, of a part time clinic within the village.

We are very sorry that all the efforts of our group and yourselves, with so many of you completing questionnaires, writing letters, attending the public meetings and giving your wholehearted support, simply did not convince the decision makers. I think we always knew it was going to be a difficult struggle, but had not appreciated how difficult the PCT would make it.

Thanks to you all for the hard work and support. We would like to thank everyone who helped to create a statistical picture of the needs of residents of Netheravon and nearby villages, by filling in our questionnaire. Some of you were sensitive about completing the more personal questions. We can assure you that there is total anonymity. We hope that we can still use the statistics for the good of our villages. They are a part of our submission to the Board, which available in the library as mentioned earlier.

We particularly want to thank all those who helped the Group to distribute and then collect the forms, returning more than once to catch people in and their long suffering families: Liz Mitchell, John Tighe, Mike Cross, Tony Birks, Val Stevenson, Paul Goodship, Martin Gough, Chris Gould, Jenny and Alastair Murray, Ann Heaton, Joe Truckle, Jo Argles, David Thatcher, Fred Collison, Selaine Saxby, Basil Davie, Sue Hayward and John Richardson. Special thanks to the stoic Jo Truckle who entered all the numbers on her computer. I don't think she or Gary had any idea what they had taken on! And all those who put signs in their windows, came to the public meetings in the village and at Devizes and wrote letters, which really showed the strength of feeling in the village. What next?

You may wish to express your views to the press, national and local politicians, the PCT or the AVP. The NSDG will consider what more can be done. Foremost in our minds is the need to safeguard the interests of those who most need access to a local surgery. We shall be looking to see how we can make sure that the PCT and AVP deliver the promised extra home visits, longer hours and prescription delivery. We shall look to see what else can be done to keep or bring back access to primary care in our community. In the meantime, if anyone experiences problems caused by the scaling down or withdrawal of medical support, please tell us.

Netheravon Surgery Development Group: Stevie Barrett, Ian Blair-Pilling, David Burke, Debbie Corbett, Tina Draycott, Geoff Dyer, Jacqui Elkins, Peter Kosminsky, Andrea Linscer, Dorothy Martin, Maureen Mitchell, Niall Murphy, Mary Towle, Alan Wood & Steve Hursthouse who also generously provided a bus to take us to the PCT Board meeting.

CHISENBURY AND ENFORD FLOWER SHOW

For the first time ever, the Flower Show was cancelled in 2007. The weather forecast for Friday the 20 July was horrendous but with the promise of better weather on show day, the 21 July, we put up the tents on Thursday afternoon. Overnight the forecast changed for the Saturday and it was decided to postpone the show until 18 August – a decision we did not regret when the rain arrived on schedule on Saturday afternoon. Unfortunately the weather did not improve in August and with heavy rain forecast for the 18 August it was reluctantly decided to cancel the show for this year.

As always you were very generous with your gifts of bottles and bric a brac and these have been stored and will be used for a bottle and collectables stall at the church Christmas Fair. Jane Young will dispose of the surplus at her regular charity sales. Those providing services to the show were very generous in not asking for cancellation fees – even the insurance company agreed to carry insurance cover forward to next year's show. Therefore there was minimal loss to the show funds.

Accordingly, small donations have been made to the Red Lion Football Club and SSAFA. In no way connected to the cancellation of the show, four of the committee have decided to move from the village leaving vacancies for a chairman, secretary and committee members. With imminent changes in the management, the last committee meeting reviewed the future of the show. In recent years the vegetable, flower and cookery classes have been poorly supported and we have focussed the show tent on a local schools art competition. The dog show is well supported and the fete elements of the show are successful.

Although support from you all for a flower and vegetable show may have diminished there is a strong wish for social events within the village community. Whether these should be arranged by the show committee on its own or in conjunction with the church or village hall is a matter of debate. What is important is that we have a structure within our community to provide functions and events for those who live here.

The remaining members of the committee need enthusiastic volunteers and new ideas to help determine the way forward for the flower show. If you are interested please contact Andrew Marx, (607404) Patti Hall-Smith (671644) Susie Brown (670399) or Marjut Roberts (671055). There will be an AGM over the winter for you all to have your say.

Denis West
Departing Chairman

FUND RAISING TREK ALONG THE GREAT WALL OF CHINA

I thought I would write a bit to let my neighbours know that on 17th May 2008 I, Roz Perry will be undertaking a 100 kilometre trek along the Great Wall of China to raise funds for the above charity.

To take part I have to raise £2,700.00 and I am doing this by putting on a number of events.

I had a Companion Dog Show in August, judged by Alan Wood, which went well and we have been asked to put on another next year.

Other events you may wish to support are as follows:

Xmas Craft Fair

Bouverie Hall, Pewsey - 3rd November 10.00 am - 1.00 pm.

The Wiltshire Wobbler - A Celebration of Real Beer

Bands playing are 'Out of the Blue' & 'Rapport'.

Bouverie Hall Pewsey - 10th November 7.00 pm - 11.00 pm
£6.00 ticket

"Choc Fest"

Pewsey Scout Hall - 21st November at 7.00 pm - 9.00pm

Excellent Xmas Stocking fillers at reasonable prices, if you cannot attend but want a look contact me for a catalogue

The Oare Deal

10 mile run on 25th November. Starts at 10.30am from Oare Village Hall

£7.00 club runners, £8.00 non-club runners

e-mail: gsark@hotmail.co.uk.

If you feel able to support any events or want more information please ring Roz on 01 980 71093, alternatively you can donate on www.justgiving.com/rosalindperry1

Even the smallest amount will help this fantastic charity and if you enjoy an event so much the better.

Hope to see some of you enjoying yourselves in a good cause.

Thanks Roz Perry: 43 Coombe Lane, Enford.

e-mail: rozzo@tinyworld.co.uk

Dear Friends

The month of November is the time of remembering. We begin with All Saints Day on the first, quickly followed by All Souls Day when the Church remembers all who have died. This year Remembrance Day falls on the 11th, the second Sunday in the month and not unlike any other year, services will be held at memorials throughout the length and breadth of the country. People will gather to remember those who lost their lives in the two World Wars and the sixteen thousand who have lost their lives in the frequent actions since 1945. On October 12th the Queen opened the Forces National Memorial in Staffordshire. Over 2,500 people attended, many of them relatives of the sixteen thousand names inscribed. As it happens 11th November is the day on which the Christian Church remembers another soldier. But St Martin who lived sixteen hundred years ago gave up soldiering that meant killing others so that he could fight a different kind of battle as a soldier of Christ. There is little doubt that the world would be a happier place if people followed the example of St Martin or heeded the advice of St Paul in Corinthians 13 verse 11.

“Strive for perfection; listen to my appeals; agree with one another; live in peace. And the God of love and peace will be with you”

Best Wishes

Colin Fox

A Prayer

Grant, O God unto all your people
 Freedom from hatred and suspicion
 A desire to live together in peace
 A respect for the views of one another
 A true regard for your holy word
 And may your peace be with us all

Amen

MESSAGES FOR FRIENDS AND NEIGHBOURS

We would like to wish a very warm welcome to all who have recently moved into the Parish of Enford. We hope that you will find many new friends and neighbors

I have been told by Wilts & Dorset that this service no longer exists. If you know any different Will you please contact me or any of the committee members know?

Parish Council Highway News.

Hello Enford Residents.

I am using this space so as to save space in the Newsletter,

This is the reply to our request for traffic calming along the C32. Those residents who are living within the vicinity of the C32 may wish to add their concerns about the problems of traffic and speed. I would suggest that you write to Spencer Drinkwater at Trowbridge copying Councillor Tony Molland and Michael Ancram QC (MP). Or send your remarks to me and I will ensure that its gets to the people concerned

The more flak they get the more our case will be heard and the more we will creep up the pecking order for action. I have made my reply to this letter and it is on the back of Alan Feist letter of setting out their regulations of Wiltshire Highways.

We shall keep up the pressure on your behalf regarding this issue until we get some action re traffic calming for our village lane.

Regards.

Stan. W. A. Bagwell. Enford Parish Council (Highways)
13/10/07

Dear Mr. Vergette,

Re: Request for Traffic Calming on the C32 between Coombe and East Chisenbury

Thank you for your letter dated 3rd August 2007 expressing concern about speeding and 'rat running' traffic on the C32 through Coombe, Enford, Littlecott and East Chisenbury and requesting the provision of traffic calming.

The County Council is allocated funding by the Government, via our Local Transport Plan (LTP) settlement, for what are known as 'integrated transport' measures, which are schemes principally intended to reduce traffic accidents and encourage walking, cycling and the use of public transport. This is in line with the Government's objectives of reducing traffic growth by promoting alternative forms of transport and reducing road accident casualties, for which there are a number of national targets. This funding is also used to fund traffic calming and traffic management measures as there is no other source of funding available to the County Council to cover these types of schemes.

The integrated transport budget for the current financial year (2007-08) has now been allocated. During the remainder of the year we will be assessing schemes for inclusion in our future works programme and I will ensure that your request for traffic calming on the C32 is assessed against the Government's transport objectives and put forward for consideration as an integrated transport scheme for the 2008-09 financial year. However, I must inform you that there is a very high demand for funding from this budget and there may be other competing requests that are considered to have a higher priority. Potential schemes are assessed against a number of criteria to enable them to be prioritised and it is not always the case, therefore, that assessment will lead to the implementation of a scheme.

In terms of the speed limit review, a strategy for local speed limits was considered by the Members of the County Council on 6th March 2007. Following indication of support for the strategy by the Members, the following has been agreed by the Cabinet Member for Environment, Transport and Economic Development as policy:

Environmental Services Department, County Hall, Trowbridge, Wiltshire BA14 8JD

- (i) The Department for Transport Circular 01/2006 be adopted as guidance for the setting of speed limits in Wiltshire. (DfT Circular 01/2006 can be viewed on www.dft.gov.uk).
- (ii) A review of speed restrictions on the County's Group 1 roads be undertaken to enable changes to be implemented by 2011 in accordance with Government requirements.
- (iii) Requests for extensions to established speed restrictions be considered against the partnership arrangements agreed at the March 2006 meeting of the Environment Advisory Panel.
- (iv) Requests for speed restrictions on Non Group 1 roads be assessed as part of a comprehensive review at a time to be agreed. At that time a development criteria be formulated to enable effective SOmph speed limits to be introduced on Class III and unclassified roads where the requirements of DfT Traffic Advisory Leaflet 01/04 are not fully satisfied.
- (v) Within villages where SOmph speed limits have been introduced, in accordance with TAL 01/04, but speeds remain above enforcement thresholds, consideration will be given to the installation of permanent Vehicle Activated Signs.

The C32 is a Non-group 1 road and therefore not subject to the review of speed limits on Group 1 roads. A timescale for the review of speed limits on Non-Group 1 roads cannot be given until the assessment phase of the Group 1 roads review is completed, hopefully by the end of 2008. This is when the number of new speed limits required will be identified and the corresponding resources needed to develop and implement new limits will be known. The speed limit on the C32 will be considered after that time.

sincerely

Yours

Alan Feist
Assistant
Director
Planning &
Regeneration

Copies:
Cllr A. Molland, Wiltshire County Council
Peter Harris, Wiltshire County Council

Dear Spencer Drinkwater.

I have been passed a copy from our Parish Clerk of your reply to our request for Traffic Calming for the C32 here at Enford..

We carried out this survey due to the recent Governments direction to Local Authorities to re-assess speed limits on rural A and B roads by the year 2011, by what is said in this report the C32 seems to be tied up in "Red Tape" as a non recognised thoroughfare and would appear to be "On The Back Burner". I am not going to go into a long screed on this only to say when it comes to doing the job it always comes down to funding, well the Government started this, so it is up to you guys to tell the Government to stomp up or shut up. This is what everyone in the civil service gets paid for.

I would like to remind everyone about "Quite Lanes" Wiltshire County Council spent a fortune on this scheme and then "dropped it" and now it would appear it is forgotten well its not. And the Lanes are still there and suffering and the C32 is one of them and is being used by fast 21st Century "Rat Running Traffic. The lane is what it is an ancient track with lots of residences adjacent to the lane with People/Children/Cyclists/Horseriders etc and there are no PAVEMENTS whatsoever, hence our request for Help.

I trust that the report we sent to Mr. George Batten is in a safe file somewhere at Trowbridge for when the funding pecking order gets down to Lanes like the C32 which would appear to be very far in the future by this report?

I shall remind everyone as we go along of the accident rate that occurs along the above stretch of Narrow Lane as it happens. And it will.

Thanking you in Anticipation.

Regards.

Stan.W.A.Bagwell. Enford Parish Council. (Highways)

HISTORY OF THE VILLAGE HALL AND SITE

The site consists of 4.85 acres

17th May 1939	Lease granted to The Trustees for the Enford Sports Club and Sports Ground by the Poore Family Trust (then owners of Longstreet Farm) at £12 per annum for fourteen years
31st October 1940	Agreement for Sale of the land by the Poore Family Trust to The Trustees for the Enford Sports Club and Sports Ground
4th March 1941	Conveyance of the title of the land to The Trustees for the Enford Sports Club and Sports Ground at the price of £200
15th October 1965	Scheme made by the Secretary of State for Education and Science under Section 18 of the Charities Act 1960 The Foundation and its endowment of two properties were drawn up under the title of 'Enford Recreation Ground and Village Hall'
12th October 1966	Order for vesting in Official Custodian for Charities by The Charity Commissioners for England and Wales. Charity Number 305512

CURRENT SITUATION

There were wooden sports pavilions on the site over the years until the school was built. The existing hall was built in 1965 with funding from the Department of Education and Wiltshire County Council to provide a new village school, with its community facilities being available for village use.

The building and grounds were maintained by Wiltshire County Council until 1985 when the new school in Netheravon was built to include children from Enford. The building then became the responsibility of the community, and gradually financial support from the Council was withdrawn. When it was built in 1965 the anticipated life of the building was predicted to be 30 years. This was a factor in the decision by the County Council not to replace the school in 1985 as they could not justify spending public money on a building which was becoming increasingly expensive to maintain and with a very limited lifespan.

By 1999, it was becoming evident to the Village Hall Management Committee, that the condition of the hall was rapidly deteriorating with expensive repairs and extensive refurbishment required. Public meetings were held and two condition reports were carried out. As a result of the professional condition reports the two options of refurbishment and new build were carefully researched. The cost of refurbishment was estimated to be almost 85% of the cost of new build.

Refurbishment would be very expensive to ensure the hall met current legislation covering public buildings, health & safety standards, and disability requirements. Refurbishment would also incur the additional cost of VAT, whereas a new build would be exempt. Grant providers will not give funds for capital cost refurbishment projects for a building where the cost of refurbishment is more than 80% of the cost of new build. The village hall therefore would not have qualified for grants towards the required extensive repairs and refurbishment. Following extensive discussion it was decided that new build was the most cost effective option, and it was unanimously agreed by the Management Committee in 2000 that an application would be made for planning permission for a new hall.

The total project cost is currently estimated at £400,000 and the figures have been independently verified. The management committee have secured grants from Kennet District Council, Wiltshire County Council, Landfill Tax Credit totalling over £35,000. £10,000 of the project cost has already been expended on fees, plans and the planning application, and around £8,000 is on deposit.

Funding applications for the balance of approximately £350,000 are currently in the process of being assessed by the Football Foundation, the Lottery's Community Buildings Fund, Kennet District Council, Community First and Wiltshire County Council. Although two applications to the Lottery were turned down in 2002 and 2003, the third application has been accepted for Stage II with a good chance of success. The project has the full support of Kennet District Council. As a result of the new funding opportunity, which has arisen due to the proposed new unitary authority, Enford has been invited by Kennet to make an application for an additional grant for the new hall.

Decisions for the applications should be known by early 2008. Builders will be asked to tender spring 2008, with building work starting the summer of 2008 and the new hall hopefully commissioned and in use by mid 2009.

Everyone is welcome to Village Hall Committee Meetings in the village hall. The next meeting is on Tuesday 27th November at 7.30 p.m. so please come with your ideas and suggestions for the future!

NON FIRING DAYS LARKHILL/WESTDOWN DANGER AREA	3, 4, 10, 11, 24, 25
NON FIRING DAYS BULFORD RANGES	10, 11, 17, 18, 24, 25
NON FIRING DAYS ON WARMINSTER RANGES	3, 4, 10, 11, 24, 25

NOTE: Due to unforeseen changes there is always a possibility that there could be firing on other of the days listed. This is particularly so now operational training is being conducted to meet many and varied exigencies. The public should be careful to check that Red Flags are not flying before they enter the range. It is the time of the year when we change late night firing times. From March through to October the Tue, Thurs and Sat night firing times will revert back to 2330hrs.

HELICOPTER NIGHT FLYING : Night flying will normally take place Mondays -Thursdays inclusive over parts of the training area dependent on the weather and the availability of range space. In some cases the aircraft will show no lights but will operate under strict area control

AIR ACTIVITIES : Dates and timings given below are those listed at the time of printing but may be altered due to aircraft serviceability or weather conditions.

AIRCRAFT TRIALS:

Aircraft may conduct trials over Larkhill Range on each Wed and Fri from 1200 - 1700 hrs which could involve circuits to the East crossing the Avon Valley.

PARACHUTING. : Parachute dropping is scheduled to take place on EVERLEIGH and FOX COVERT DZs during normal working hours on most weekdays. Outside working hours and at weekends the dates and approximate times are:

FOX COVERT DZ (C130)

01. 24hrs 03. 24hrs

SALISBURY TRAINING AREA -MAP: A query was raised by one of our readers that without a map describing the variety of areas we refer to within this newsletter our information was difficult to interpret. We are grateful for this observation and hope that the attached map, which we will issue bi-annually, will resolve this problem. Any other constructive comments upon our Newsletter will be equally welcomed and acted upon.

WARMINSTER/IMBER OPEN

1. Notice is given that only the roads from:

- a. Warminster to Gore Cross via Imber, and
- b. Bratton to Heytesbury via Imber

will be open to the public from 1800 hrs Fri 21st December 2007 through to 1800 hrs 1st January 2008.

2. Please bear in mind that **only the metalled road** will be open, all other tracks, stone tracks and Southern Range Road and Imber Village remain closed (Out of Bounds) in accordance with the Imber Ranges Bylaws. Any movement off the aforesaid roads on the Imber Ranges is forbidden, trespassers are liable to prosecution.

3. Red Flags are only flown at the vedette post when live firing is taking place on the ranges. The absence of red flags does NOT imply that the roads are automatically open to the public, times for which are notified in the Press and displayed on the entrance notice boards.

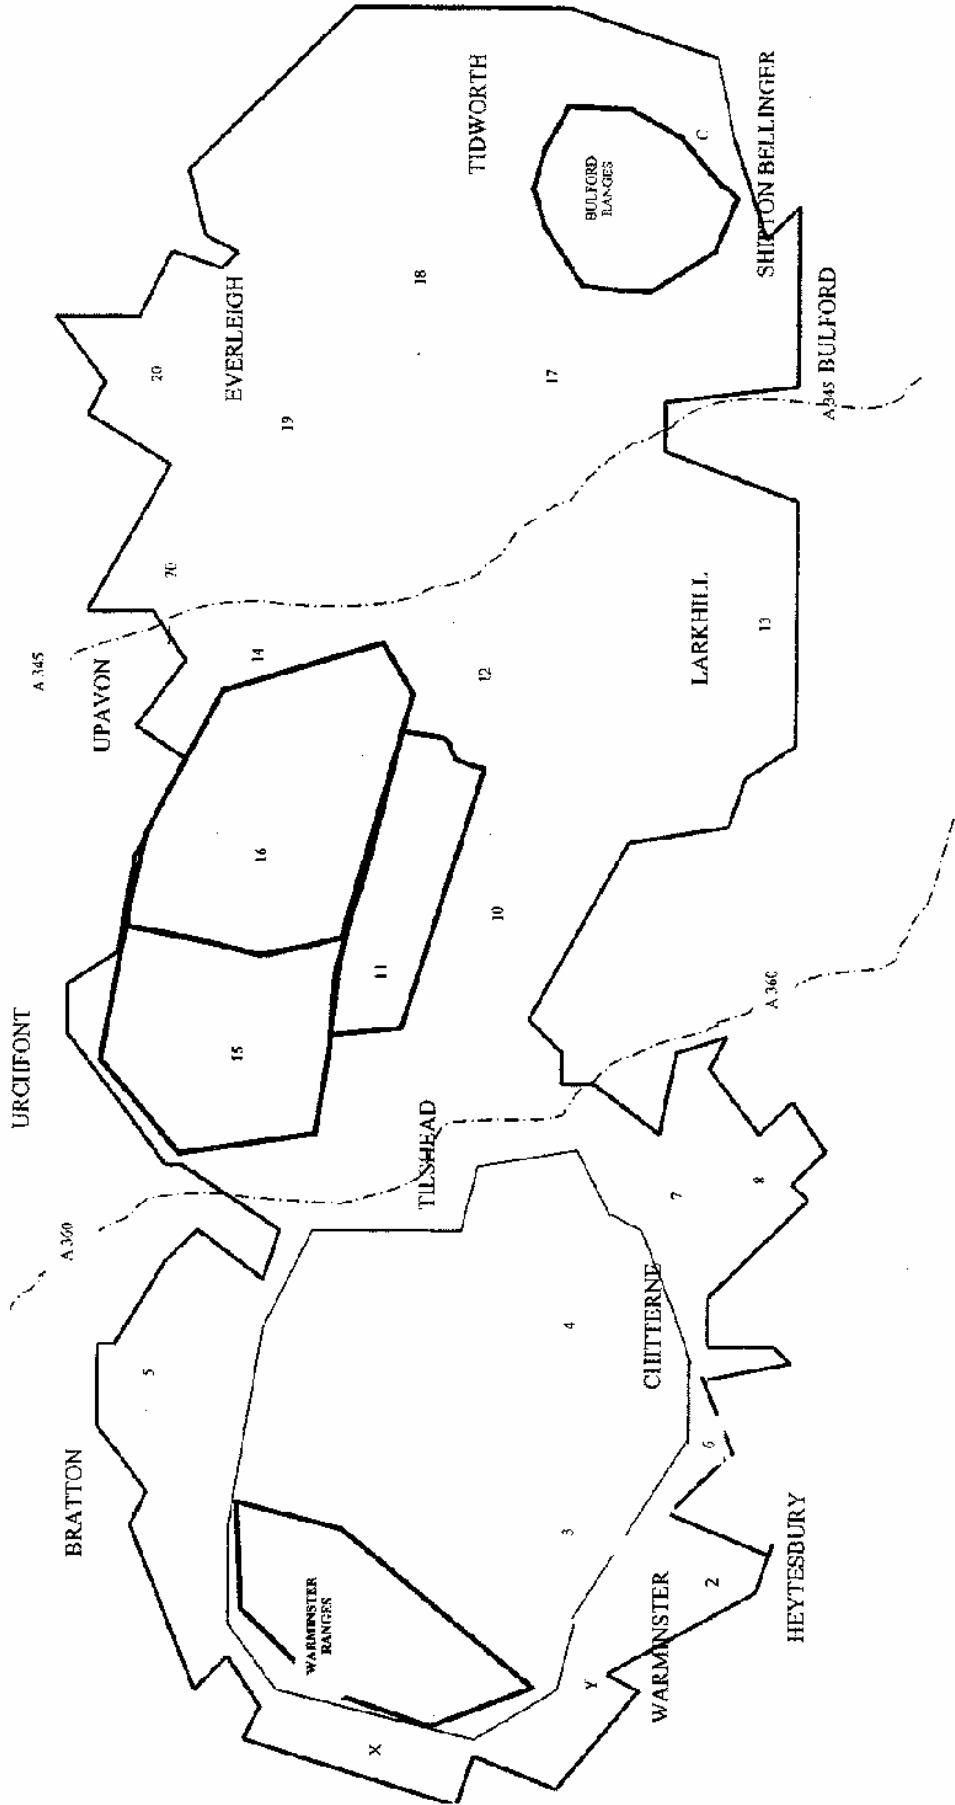

4. The roads identified above are not maintained to public road standards, if traversing the training area drivers should do so with extreme caution.

FLY TIPPING

Already we have had several calls to our Complaints Line [see front of News Sheet] giving details of 'suspicious' vehicles and activities across the Plain. These reports have been most useful in providing both the Ministry of Defence Police and our Land/Range Wardens to develop trends which can be monitored more closely. Currently we have two cases of fly-tipping being processed through the judicial system; which is good news.

Please continue to report anything that may seem suspicious to you occurring on the Plain, your vigilance is already proving most worthwhile.

CLEAN LIVING

You have probably seen our cleaning van around the village as we operate a Carpet & Upholstery cleaning company- CleanLiving. Some of you have already used our service and have been amazed at the results we achieved. Stain removal is our speciality. Steve is more than happy to help anyone with a cleaning problem on carpets & upholstery. Of course we cannot guarantee the removal of every stain, but we are confident that, with our specialist training, if we cannot remove it then no one else will either.

*As an introduction to our services we are offering to **clean your hall & stairs FREE** when you have your lounge carpet cleaned and Stain Protected.*

So call Vanessa my wife and business partner or Geraldine for your FREE survey.
