ENFORD CHISENBURY GOLF DAY – 1 AUGUST 2008

The inaugural Enford Chisenbury Golf Day got off to a great start on a sunny but windswept Upavon Golf Course. Despite the windy conditions some excellent golf was played by the 10 competitors.

The Enford team ran out worthy winners with 111 Stableford points. The Enford Team were spearheaded by John Poole-Warren, Rob Coultard and Frank Horsford.

The best round of the day was by Denis West for Chisenbury with 38 Stableford points. A fine round considering the conditions.

Many thanks to the Red Lion for hosting the prize giving in the evening.

2009. Provisional date for next year's golf day is Friday 26th June 2009.
Venue. Not yet known but unlikely to be St Andrews.

Thank you to everybody who gave their time, thoughts and energy to making the consultation a success with some fantastic ideas being shared providing lots of food for thought.

We are currently gathering together all the findings to create a report for the Village Hall Committee. This will enable your ideas to directly inform the planning process for the new Hall events programme.

We hope that you enjoyed the opportunity to have your say in a variety of different ways via the meetings, creative sessions, comments boxes and web blog – now live www.ourenford.co.uk

ENFORD PARISH HALL AND READING ROOM

This is a letter for all parishioners in Enford, Coombe, Chisenbury and the other smaller hamlets in our parish.

You may not be aware that Enford Parish Hall and Reading Room is an old hall and is in great need of refurbishment. At the present we are or should I say Enford Parish Council is applying for a grant, hopefully to do the refurbishment. In the event of our not receiving a grant, however, there is every possibility that the Hall will have to close. Since the centenary of the Parish Hall is almost upon us it would be a great shame to lose one of the remaining focal points of the parish.

We are now looking for help from our parishioners, anyone you know that is a tradesman or anyone just wanting to help in general. We will need electricians, painters, chippies or anyone just wanting to contribute in any way at all with help or funding.

As I said, the Hall has been around for many years so we hope it will not be allowed to go without a fight.

So please keep looking in your Newsletter for future letters about the Hall and if you are able to give up any of your time please let us know

Thank you
Katrina Knight

THANK YOU

First of all I would like to say thank you to Jane for organising the jumble sale that she arranged on 13th September. Also thank you to Kirsty, Janice, Michelle, Anthea, Coralie, Jo, Jacqui and Maureen for their help. Also to Samantha, Harry, Lauren and Holly and to anyone I have left out.

I would like to say a very big thank you to Delia Steele for baking cakes and for baking the cake for 'Guess the Weight of the Cake'. The winner for this was Tracy Bailey who correctly guessed the weight of 6lb 6ozs.

The winner for 'Guess the Mystery Ingredient' was Janice Goddard guessing cardamom seeds.

I want to thank Marg for making chocolate rice crispies and chocolate cornflakes. Thanks also to all who came along and supported the Jumble Sale. It is folks like you that keep these old building alive.

We made on the day £268.87.

Once again thank you to everyone that helped and supported us.

MORE ABOUT FAIRTRADE

You will hopefully have seen the publicity for the Fairtrade Fayre at Figheldean Village Hall on Saturday 11th October.

I have recently had the opportunity to spend 2 weeks in South Africa on one of Traidcraft’s ‘Meet the People’ tours, visiting several fair-trade projects and hearing from people firsthand about the benefits to them of Fairtrade.

I shall be talking about the trip to our local Mothers’ Union next month, but the meetings are open to anyone who is interested in this subject.

Thursday 2nd October 2.30pm and Monday 13th October 7.30pm, both meetings in the Phoenix hall, Netheravon.

Please just let me know if you’re planning to come – Pip Symonds 670782

Hello Enford Residents.

The C32.

With reference to the last Highways News article July 2008 Enford News Letter.

We successfully secured a meeting with Martin Cook the Senior Traffic Engineer and Mr Peter Hanson the Divisional Highways Manager of Wiltshire County Council Highways Department. This took place at 8am 8/8/2008 at the "T" junction Enford Hill/Long Street. The meeting took in Enford Coombe and East Chisenbury. It was a constructive meeting and I thank the residents and Parish Councillors for turning out so early in the morning. W.C.C Highways are now aware of the problems that we are facing along the C32 and said that they will come back to us with suggestions on what can be done with the available funds they have, it is possible that we may have to offer some funds out of the precept for whatever they come up with if this is so it will be placed before the Parish Council for discussion.

The A345 Road Surface.

We are still complaining about the road surface from Enford through to Netheravon and Figheledean. Netheravon Parish Council have now joined the campaign by sending a letter to W.C.C. Highways. Just recently Enford managed to get the message across on B.B.C Radio Wiltshire whilst the Leader of Wiltshire County Council Jane Scott was telling everyone how good the Unitary Council was going to be and fairness would be top of the agenda. Enford made the point of how come all the roads around Trowbridge were in pristine condition when the A345 here at Enford was in an appalling condition, other listeners made remarks on the radio about poor road surfaces and pot holes not being repaired in the south and why was the North of the County getting better treatment than the South. Will it change I doubt it, but then again I could be wrong.

The A345. Weed Growth.

We have reminded Wiltshire County Council Highways that areas along the A345 are now causing problems for drivers pulling out onto the A345 and also road signs are now being obscured by foliage. We trust that this will be attended to as soon as possible before we have a road accident.

Community Speed Watch.

Enford have now carried out three watches at the top of Enford Hill (A345). We have 7 volunteers who have been trained by the Wiltshire Police and we have six more who have offered their services. The Scheme is working well and is slowing everyone down who are passing through Enford at the time we are there. A considerable amount of motorists have been observed exceeding the speed limit through the zone. As said before this Scheme is not to trap people or to spy on them it is to get everyone to observe the rules of the road and "Slow Down" while passing through the 30MPH Zone here at Enford. The idea is to make Enford a safer place to live. We trust that everyone will support the Volunteers and the Parish Council on what they are trying to achieve for everyone, if we actually prevent one accident taking place and get people who pass through Enford at speed to "Slow Down" then we would have attained what we set out to do. Some of the problems above have been taken on board by the Pewsey Area Community Planning Partnership and have been very helpful in putting pressure where it is required. You may wish to know that Enford Parish is a founder member of this partnership.

Safe motoring to all

CLEAN NEIGHBOURHOOD AND ENVIRONMENT ACT 2005

BAG IT. BIN IT!

**FAILURE TO COMPLY IS A CRIMINAL
OFFENCE AND OFFENDERS CAN BE
ISSUED A FIXED PENALTY NOTICE.
MAXIMUM FINE £1000**

I applaud the person who wrote in the Aug/Sep copy of the Enford Newsletter regarding the amount of dog faeces to be found at the end of Coombe Lane, east of the old pumping house, but was disappointed that they felt it is necessary to withhold their identity.

This problem is not unique to the area reported upon.

Many people may be totally unaware of **The Clean Neighbourhood And Environment Act 2005**.

The Act states that if a dog defecates on land to which this Order applies and a person who is in charge of the dog at that time fails to remove the faeces forthwith, that person shall be guilty of an offence. It is also an offence under this Act if you fail to dispose of the faeces responsibly in a dog poop bin, a household rubbish bin or other such refuse bin. People who fail to clean up responsibly after their dog will face having to pay a fixed penalty fine of £75, or go to court and risk a fine of up to £1000.

Additionally, Residents who witness a person failing to clean up after their dog will have the opportunity to complete a witness statement, and once submitted, a fixed penalty fine can be issued to the offender.

Persons Exempt for the Act:

- are registered as blind in a register compiled under section 29 of the National Assistance Act 1948; or
- Have a disability which affects mobility, manual dexterity co-ordination or ability to lift, carry or otherwise move everyday objects, in respect of a dog trained by a prescribed charity (Dogs for the Disabled, Support Dogs and Canine Partners for Independence) and upon which that person relies for assistance.

Land Included in the Act:

- Any land which is open to the air, including covered land which is open to the air on at least one side, and to which the public are entitled or permitted to have access, with or without payment.
- All footpaths over which the public have right of access, and adjoining verges.
- All pedestrianised areas.

Dog foul bags are available from Kennet District Council offices. Bagged waste can be disposed of in any litter bin or your domestic waste wheelie bin. Make the area safe for children and adults to enjoy. If you have any queries regarding The Clean Neighbourhood And Environment Act 2005, or wish to report an offender, please contact the Animal Welfare Officer at Devizes, telephone number 01380 724911.

Norman Beardsley
(Dog owner, plus bags).

ALL SAINTS ENFORD CHURCH*Dear Friends*

I had the privilege in September to join a pilgrimage to Walsingham, a very beautiful village in North Norfolk. There were mostly Roman Catholics in our party but there were also a number of Church of England members which was the reason for my going.

Since 1061 AD, a shrine has existed where it is reported that a lady by the name of Richeldis, received a message from the Virgin Mary to build a shrine where prayers could be offered and people could deepen their faith by being with God and apart from the general rush of daily life.

We took forty five sick people and double that number of helpers. Our pilgrimage had two aims. Firstly, to visit the shrine which is similar to the house in Nazareth where Jesus grew up and learned the values of family life. Secondly, to see a Holy Well which Richeldis is reported to have discovered where spring waters flow.

Like so many places of pilgrimage it has suffered. Henry VIII did his best in 1538 to destroy its beauty.

Since 1922, after restoration work, it has been visited by thousands of pilgrims and beautiful churches of many denominations have been built which gives it that ecumenical flavour.

As well as the peace and the holiness of the place, the fun and joy that we gained from the company of one another was overwhelming and spoke to me of the strong need to relax and enjoy being away.

A pilgrimage is a very real privilege to laugh and share together and make lasting friendships.

There is, of course, a cost involved as in money but it is worth the effort to get way from the routine of everyday life and have time to renew your batteries and to pray.

I do hope that you will make a pilgrimage one day.

*Colin Fox***A Prayer**

We are pilgrim people and our destiny is heaven. As we travel towards the light of Christ may we encourage one another through life's rough seas and stone filled paths.

"JAZZ ON A SUMMER EVENING"

The event seems to have been much enjoyed by all who came along to an evening of excellent food and wonderful music. In spite of having to incur a considerably higher level of costs than first contemplated (primarily because of having to hire and insure a large marquee given the uncertainties of the weather forecast – a decision vindicated by the appalling weather on the day!) – the event has made a net profit of £1,750.62 which sum is to be split equally between the Swindon Kidney Patients Association and our own All Saints church funds.

Of course, the evening could not have happened without the support of lots of people, many of whom I thanked in the programme, including:

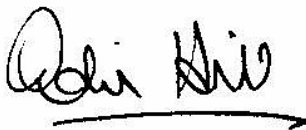

- Steve Cook of Walter Rose and Son, Devizes, for providing the hog!
- Brian and Hilary Crane of Wessex Roasters, Devizes for doing the best pig roast in the county!
- Duncan Brown of *designBrown* for his original artwork for the promotional materials and tickets.
- Perivan Limited, London, for doing a fantastic print job on the posters, flyers and tickets.
- Paul and Clare of the The Swan for their considerable help and advice!
- Jim and Ed Giles of Roses, Ironmongers, Devizes for providing the additional lighting and support kit.
- Marlena at Renal Services plc, London, for her invaluable help in producing the programme.
- Fighledean Village Hall for allowing us the use of their tables and chairs.
- John and Sue Poole-Warren for their help and advice and for manning the gate in the lashing rain!!
- ..and all of the other people (you know who you are) who have supported this project quietly but effectively!

Now that we're pretty much "done and dusted" I do, however, now have to make special mention of some wonderful helpers whose unstinting support and encouragement was so appreciated:

- John and Maggie Sharp for donating the vast majority of the wine we all so enjoyed!
- Derek and Alison Ford for running the wine and soft drinks service - and also to Derek and his brother, Trevor, for groundworks support!
- Stig and Anne-Marie Andersen of Stonehenge Ales for delivering the "real ale" experience and for their assistance in lighting and guiding people over some very slippery ground on the route from the church to the marquee – help that I know was very much appreciated at the time.
- Chris Gould who turned up on the Thursday and said: "Just tell me what you want me to do"; I did, and Chris worked as hard as anyone throughout the preparation and clearing up. Always cheerful, I could not have asked for a better right hand man. Terrific job, Chris!
- Martin Aris whose work ethic and willingness massively eased the burden of fetching, carrying, loading, transporting, installing, cleaning up and returning all manner of vital facilities.
- To the members of the PCC and church (and especially to Mort and Mary Burdick) who made such a terrific contribution to the clearing up both on the night and "the morning after".
- To the cash donors whose generous contribution of £400 has defrayed part of the additional costs of running the event.

.....and, of course, to our vicar, Colin Fox, whose ever-so-slightly progressive idea of using our church as a valuable community space inspired this and many other evening entertainments. What a thoroughly pragmatic and sensible use of a wonderful building!

We might have failed under the Trade Descriptions Act – for "summer" it certainly was not – but, whatever the weather, we had a really good evening and so, "**THANK YOU VERY MUCH INDEED**" to all of you who helped make it so – and especially to Venessa, whose help and support throughout the planning process and on the itself was outstanding.

CLEAN LIVING

You have probably seen our cleaning van around the village as we operate a Carpet & Upholstery cleaning company- CleanLiving. Some of you have already used our service and have been amazed at the results we achieved. Stain removal is our speciality. Steve is more than happy to help anyone with a cleaning problem on carpets & upholstery. Of course we cannot guarantee the removal of every stain, but we are confident that, with our specialist training, if we cannot remove it then no one else will either.

*As an introduction to our services we are offering to **clean your hall & stairs FREE** when you have your lounge carpet cleaned and Stain Protected.*

*So call Vanessa my wife and business partner for your **FREE** survey.*
