NEW ENFORD BUS SHELTER

As you would have noticed by now, Enford has a new Bus Shelter at the junction of Enford Hill and Longstreet.

The bus shelter was designed, built and installed by Richard Pettit and his team from Pettit Brothers Contracting Limited. They have done a wonderful job and provided us with a quality oak bus shelter that is not only functional but also very pleasing to the eye.

I think you will agree that the bus shelter is a positive asset to the village.

Thank you once again, Richard.

**Disclaimer on behalf of
Upavon Good Companions Club**

In the March edition of The Enford Newsletter a letter was printed from Feed The Children thanking various parties, including Upavon Good Companions Club for their generous donations.

Upavon Good Companions Club has since explained that the club had no involvement with the donation of £200 to Feed The Children and that this money was raised by Jane Young, her helpers and supporters through jumble sales, book sales etc.

Some members of The Good Companions have contributed knitting in the past for which the charity was expressing its thanks.

Fixtures for May

May 1st Away to Stockton and Codford Kick Off 1430hrs

May 8th Away to West Harnham Kick Off 1430hrs

We have now started some youth coaching sessions at the Youth Club on Friday nights at 1800hrs, so if anybody wants to come along and join in you will be most welcome. The sessions are free but you will have to sign in at the Youth Club and pay your £1 entrance fee as normal. Our aim is still to enter a team or two into the six a side tournament at the fete on 26th June so the more people that come along the better.

If there are any parents who would like to get involved in the youth football and help run the team or teams on the fete day, then please give Ollie Stagg a call on 07831 393035.

The club would also like to send its condolences to our long serving club member Steve Todd and his family for the loss of his Mother, who sadly passed away in April. Steve does an awful lot to keep the club running and in raising funds for us, so our thoughts are with him at this difficult time.

ALL SAINTS ENFORD CHURCH

Dear Friends,

On a recent trip to the Caribbean on behalf of a charity I belong to, visiting Guyana and four islands, I was struck by the overwhelming friendliness of the people Andrea and I met. I put this down to their culture, the climate and the fact that their lives are so much less complicated than ours. West Indians are religious and nearly everyone goes to worship God in one form or another, whether they are Muslim, Hindu or Christian. Going away does give you a lift – that’s if you are fortunate enough to get away.

Back in the 1960s Acker Bilk wrote an instrumental piece of music that went to the top of the charts called “Stranger on the Shore”. It has become one of the most familiar tunes of the last fifty years, featured in TV commercials for everything from cars to cat food.

There are several stories in the bible where Jesus’ friends, grieving for him, fail initially to recognise him. Jesus seems to be a stranger. In a way our trip to the West Indies the people we met (apart from two people I knew) were all strangers initially, but what was so heart-warming was the overwhelming friendship and humour they shared. They really do live out their faith and make you welcome.

Shortly after I got back, the village lost a real character in Carol McAllister. She was a good role model for us all in the way she showed friendship and enthusiasm towards villagers and village events, and especially in her love of animals. We shall miss her.

May the Spring air do us all some good so that we can meet one another.

Colin Fox

A PRAYER

We thank you, God our Father, for the gift of human friendship and for all the joys that it brings to our lives. May we seek out the strangers in our midst and try and understand their needs.

Through Jesus Christ our Lord. Amen.

HELP FOR HEROES

Susie Winter's boys, Guy and James, are raising money for **Help For Heroes** in memory of their father, John.

James ran the Paris Marathon on Sunday 11 April in a time of 4 hours 8 minutes and 2 seconds. A huge and magnificent effort.

Both boys will "do" the B.P. Sprint Triathlon at Blenheim on 5 June which is a swim of 750 metres, then a 20K bike ride followed by a 5K run. The boys have not tried this sort of event before!!

Next event is the London Olympic Triathlon on 8 August – a 1.5K swim, 40K bike ride then 10K run!

If all this wasn't enough, they attempt The Original Mountain Marathon which is a 2-day event when they have to carry food, tent, sleeping bags etc and navigate their way from start to finish unaided.

If you wish to donate to Help For Heroes by sponsoring the boys you can look them up on their websites:

www.justgiving.com/FDH2010 www.justgiving.com/freresdhiver

There are some fun photos on the website from the Paris Marathon weekend...

All sponsorship is much appreciated by me, Guy and James, so please give generously.

Susie Winter

LOCAL POLICING

There have been instances recently of members of the public calling us on the non-urgent number with urgent messages. Let me lay out the procedure for calling us.

If something is happening that requires police presence immediately, either to protect life (a fight in progress) or to detect a crime (a burglary in progress), then dial 999. This includes anything where you think to yourself, "They shouldn't be doing that" and it is something serious. An example would be seeing someone with a ladder going to the back of a neighbour's property when the occupants are away, or finding yourself in a confrontation with an angry person (you have the added advantage that anyone shouting at you would have their voice recorded by the police during a 999 call).

If something has happened, and the police are needed, but not immediately, then dial the 0845 number below; if it is a crime say you wish to report a crime, and details will be taken.

If something has happened and you want Maria, Philippa or me to know about it, or you want to update us about something, telephone us on the 744 extension, but be aware that there may be no one in the Police Station if we are all on patrol, and we have no answer phone facility. If you are on the Internet, then you may prefer to e-mail the address below. Maria, Philippa or I will pick up e-mails once a day and pass the message to the appropriate person.

Crimes in the past month have included lighting a fire on MoD property and theft of garden gates.

DURRINGTON & DISTRICT LINK SCHEME

This is a voluntary 'good neighbour' scheme which covers several villages in the Avon valley providing help to those in need in various ways.

For example:

transporting people to hospital and other appointments, shopping and social visits. If we take you to an appointment we will take care of you throughout the journey and will return you back to your home. No matter how long we have to wait for you.

Practical help carrying out small house or garden jobs, walking a dog or feeding a cat.

Calling in for a chat and providing company or perhaps accompanying someone on a walk.

We do not charge for any of these services, we just ask for a donation if you can afford it. The Durrington & District group has expanded recently but we would still welcome volunteers who may wish to provide assistance as outlined above. There are no set requirements, we can fit in with the time you have available; you do not even have to be a driver as there are non driving jobs by which you can provide a valuable contribution. If however you are able to use your own vehicle you will receive a mileage allowance for any tasks that you carry out on our behalf

If you would like to find out more about LINK or wish to volunteer to help us, please telephone us on 01980 594857 or call our Chairman on 01980 670748

PLAINWATCH NUMBER 01980 674700

PLAINWATCH is specifically designed to rapidly identify suspicious activity on the Plain: firstly and principally to identify criminal activity but secondly to deter such activity.

We seek the support of those Parishioners who regularly use the Plain for recreational purposes, who when doing so spot what could be termed suspicious or even criminal activity taking place. No approach or contact should be made with potential offenders. If such an opportunity occurs we would be pleased to hear from you via a special telephone number which we have set up within our 24 hour Operations Cell: **01980 674700**. We would welcome your assistance in making the Plain more secure and a safe place to enjoy.
