CHECK-UP FROM THE NECK UP

As I took my dogs for their early morning walk today I was greeted by the sight of a pile of black rubbish bags left at the side of Water Lane! This is the second time in about six weeks that this has happened, and try as I might, I'm afraid I just can't understand the mentality of the dipstick responsible. I find it difficult to believe that anyone that lives in the village could be responsible for what amounts to an act of vandalism, but it is obviously someone with local knowledge.

I realise that the person responsible must have an I.Q. and usefulness that equates considerably lower than a mahogany frying pan, but surely even the most stupid being on God's earth must realise that if you can drive onto the Plain to dump your rubbish, surely you can drive to the local tip. I have always approached life with a live-and-let-live attitude, but surely a suitable punishment for this is to be taken to the most beautiful spot on the Plain and strung up! Please, if you see anyone dumping, or attempting to dump rubbish on our beautiful Plain take their registration number and not only report them to the police, but send it for publication in the Enford Newsletter.

Avon River Team

Why do this?

‘Dear children, let us not love with words or tongue but with actions and in truth’ 1 John 3:18

We want others to know that we care for the poor, the vulnerable in our society and that we care for our environment. As we serve others and build friendships we hope they glimpse God’s care for them too.

Small teams of all ages will be placed in prearranged placements with a specific task to be completed during the day. Each team will have a small group leader to take full responsibility for the group and the task. The tasks are designed so that anyone can take part, such as gardening and litter picking. We aim to have placements in each of the seven villages we serve.

Availability... above all we are looking for your availability not your ability. Ideally, you need to be available between 9.30 am and 4.00 pm and remember to bring a packed lunch.

Those we will be helping will be vulnerable people so please ensure that you honour your time and team commitment.

Everyone is welcome, you can request who you wish to work with and we endeavour to place families together in suitable placements where children can safely get involved.

What happens on the day?

We will assemble at 9.30 to hear an outline of all the placements and any safety aspects and to share out equipment before departing in our teams.

Wiltshire Ride & Stride

Saturday 13th September

Enford is organising a Parish bike ride to suit all abilities in support of both our own church and Wiltshire churches.

ENFORD GARDENING CLUB PROGRAMME SPRING 2014

There is a saying , ‘save the best till last’, and I think our final summer meeting certainly did that.

Our evening walk round the garden at Longstreet House on a beautiful June evening was pure joy – the roses were perfection, white and pink foxgloves mingled with the 6ft darkest blue delphiniums that would have won gold at Chelsea and even the pale mauve of the little violas added to the picture. Round every corner and through each archway the pallet of colours was like a painting come to life and judging from the ‘Oohs’ and ‘Ahs’, fellow members were just as thrilled.

We had invited the Camera Club to join us for the evening and I hope we will be able to see some of their photographs in due course.

I haven’t even mentioned the vegetable garden! Enough to say Peter Rabbit would be in heaven!

A HUGE thank you to Jenni and Hamish for opening the garden to us And to Carol their wonderful gardener who was on hand to answer so many questions.

RICH DIVERSITY OF ART

There's a buzz in the countryside this year as 15 new and highly respected artists join the Marlborough Open Studios scheme this summer.

More than 50 artists are opening their studio doors in June and July, offering an enthralling and rich diversity of art to be discovered in the beautiful setting of east Wiltshire. MOS offers the chance to visit the artists in their working environment, find out what inspires them and perhaps buy some wonderful art at a discount from gallery prices.

The four weekends that cover the Marlborough Open Studios scheme are 5/6, 12/13 and 19/20 July.

The website www.marlboroughopenstudios.co.uk is packed with information on all the artists and their locations – from Devizes to Hungerford - together with suggested trails to follow that include great places to eat and interesting sights to see on the way.

Many shops in Marlborough High Street will also feature artworks from most of the artists and a guide for this will be in the brochure, which will be distributed far and wide in the scheme's area from the middle of May.

There is a fantastic showcase exhibition at the Mount House Gallery in Marlborough from 30 May to 5 June where a sample of work from all the artists taking part can be seen in advance of the Open Studio weekends.

MOS is an exciting concept that supports local artists and provides days to treasure.

Enford Parish Council Update

This last year has been over-shadowed by the unexpected death of Ken Monk. He served Enford Parish for 30 years and for the last 13 years had been Chairman of the Council.

The sad loss of Ken has led to Norman Beardsley being elected Chairman, Norman lives in Coombe and has served the Parish Council for 15 years. Nigel Murray who was elected to the council in April 2014 has been elected Vice Chairman.

The number of Councillors has fluctuated over this past year, however we are now working with the correct allocation for the north and south wards of 11 Councillors, who are all unpaid volunteers.

These are:

1 Norman Beardlsey - Chairman	7 Gareth Holden
2 Nigel Murray - Vice Chairman	8 Bruce Waight
3 Jane Young	9 David Harbottle
4 Patricia Holdway	10 Richard Roberts
5 Michael Fay	11 Anthony D'Arcy Irvine
6 Richard Pettit	

One of the issues we have had to deal with has been the Flooding. Working with various sectors within Wiltshire Council we are trying to achieve the best long term protection against future floods in Enford. The location of the village, the lie of the land and the unpredictability of weather patterns are beyond control but we continue to work with Wiltshire Council, the Environment Agency and Water Boards. The voluntary post of 'Flood Warden' has been created which Steve Crompton has agreed to take on.

Cllr David Harbottle has been working with the Highways Dept. to keep the roads, verges, road signage, speed limits, street lights etc throughout the Parish in the best possible condition; a difficult task due to shrinking budgets. His work is keeping Enford and its problems high on the Council's 'to do' list. Any issues regarding high-ways should be reported to David who will raise them with the Highways Dept.

Likewise, Cllr Norman Beardsley has been overseeing the Public Rights of Way, their general state, maintenance, 'up and down grading,' change of use and/or direction. Any issues regarding Public Rights of Way should be reported to Norman.

All the Cllrs are on the Planning committee and give appraisal to applications within the Parish.

Cllrs assist with clearing and tidying up the Play Park and maintaining facilities around the village, including bus shelters, benches, communal areas etc. It is likely that the increase in military numbers in our area will have an impact on our community, liaison officers from various organisations brief on this and other matters at each council meeting.

Parish Council meetings are open to the Public, there is a 'Public Question Time' for matters of concern relating to our community to be raised, alternatively any member of the parish can contact the clerk or any councillor to request a particular subject is added to the agenda for discussion. In most instances the Parish Council is a link to the relevant authority and will raise your concerns directly with them.

NATIONAL GARDEN SCHEME - WILTSHIRE Gardens Open For Charity

Please be considerate when dealing with your dogs in cars on hot days. It is unwise to leave animals in cars in the summer. The temperature in a car can soar on a sunny day, even if it is not particularly hot, putting the dog's life at risk. Be wary of leaving dogs in a car on a cloudy day. If the clouds clear, the car is at the mercy of the sun. If the police are called to a distressed dog left in a car with inadequate ventilation and no water, they will take action to save the dog, by breaking a window, and the owner may be prosecuted.

The Army Training Area provides plenty of opportunity for leisure activities. There are many signs up warning members of the public not to touch anything or pick it up. There was a recent incident in Tidworth where a neighbour reported seeing a resident with a hand grenade, which sparked an unnecessary police reaction, because the item was a spent munition, but it had been brought off the Training Area by an inquisitive individual. Of course there would have been no incident if the individual had obeyed the Army signs and left the thing alone in the first place.

Reported incidents:

In Coombe Lane there was a Hit and Run road traffic collision, whereby a parked car was damaged by an unknown passing vehicle. Hare coursers were seen with dogs on nearby farmland.

Community Beat Manager Writes:

Whilst I was out on patrol last month, we were given some information, which we acted on immediately. We found a Cannabis Factory, seized 806 Cannabis plants, and the cultivator was arrested. Please be aware that drugs production is not limited to inner cities and it can happen anywhere. If any of you have any information about drugs, please let me know.

I have done more patrolling on foot and on the police bicycle, having racked up over 51 miles cycling, visiting all the villages on Monday 19th May and completing a 9.5 mile foot patrol around Ludgershall and the Chutes on Wednesday 21st with PCSO Rosie Smith.

The Tidworth NPT Team achieved second equal place in the Neighbourhood Policing Awards this year. Also my congratulations go to PCSO Maria Downham, who achieved second equal place in the PCSO of the Year Awards.

LETTER OF THANKS

Dear Jane,

Please could you pass my thanks to all those who organised and supported the jumble sale which raised so much money to help with cost of my cancer treatment in Germany.

I am overwhelmed by yours and their kindness and so very grateful to you all. It was a lovely surprise to be given the proceeds and they will help me enormously.

I would really like to write to everyone individually but Ann gave me your name so could you pass on my thanks to all concerned.

My treatment has been a success and I feel privileged to have been part of such efficiency abroad.

With Very Best Wishes
Helen

TRAINING

July will be a very busy month on the Plain with 4 major Armoured Exercises starting with the Land Warfare Centre Armoured Division Exercise FIRST VIEW on the 2nd & 3rd of July with Challenger tanks training on the Imber and Larkhill ranges.

This is followed by a Squadron from the 2nd Royal Tank Regiment with Challenger 2 tanks, 1st Battalion the Yorkshire Regiment Armoured Infantry Company in Warrior AFV's, and an armoured engineer squadron from 26 Engineer Regiment conducting low level training across all areas.

The next major exercise will be the Land Warfare Centre Ex LIONS STRIKE from the 14th to 17th July using the Imber and Larkhill dry training areas for the largest armoured exercise in the programme. The third major exercise will be Ex CROSSED CANNONS 21st to 25th July when 3 of the Royal School of Artillery courses combine for their largest training exercise of the year during which AS90 and Light Gun live firing takes place.

Finally the Land Warfare Centre Armoured Division will deploy their Challenger 2 tanks across the whole Plain for Ex SABRES THRUST 28th to 31st July and will be joined by the Brigade Recce CVRTs for their final exercise BADGERS STRESS.

East Midlands University Officers Training Corps will be based in Westdown Camp for the first half of the month on their annual camp.
