## What is Happening In and Around Enford

### MAY IN BLOOM

*Helen Maring*

May is so beautiful:  
Orchards are fair;  
Branches of fruit trees  
Make gardens of air.

Flowers of fragrance  
Bloom in the light;  
Fall like the snowflakes  
Showering white.

Orchards of heaven  
Grow with a grace,  
And like a blessing  
Perfume the place.

Each tree in blossom,  
Each lovely spray,  
In this month of Our Lady,  
Bring glory to May.

# Broadband In Enford

'super fast broadband'

Fibre Broadband

Wiltshire Online have advised that Enford is now connected to fibre broadband! I have done a quick postcode check using the Wiltshire Online postcode checker – all postcodes in the parish (with 2 exceptions) are described as ‘GONE LIVE’. The exceptions (which are both described as ‘FUTURE FUNDING’) are:

SN9 6DE – Coombe, SN9 6DQ – Fifield

Surprisingly, we in Coombe Lane (SN9 6DF) are also described as ‘GONE LIVE’ despite Wiltshire Online notifying me in December that we were definitely NOT going to be included in the fibre rollout programme. This also seems a bit odd, particularly as we are next door to Coombe and Fifield – one would think that we would share the same status.

I (naively) thought that we would all immediately benefit from a fibre connection, but it is not so. Apparently you are still connected to the exchange via the existing infrastructure until such time that you arrange (through your ISP) to upgrade to a ‘fibre’ package. At which point your line is disconnected from the old infrastructure (inside the cabinet) and plugged instead into a new board which is connected to the fibre going back to the exchange. At the same time, your ISP should also supply you with a new router, as the standard (ADSL) routers are not compatible with a fibre connection. Presumably there will be some increase in subscription charges as well. These are the handful of reports I have received from people who have already upgraded:

Longstreet	74Mbps
Enford Farm Road	42Mbps
Chisenbury Court	10Mbps
Far end of E Chisenbury	8 Mbps

On average it looks to be a 10x – 15x improvement.

Interestingly, I contacted our ISP (Plusnet) to enquire about upgrading but there are no upgrade options for Coombe Lane. A resident in New Buildings was also told the same by her ISP (Sky), and another resident in East Chisenbury was told by his ISP (BT) that a fibre connection was not available, that the exchange had reached capacity and he would not be able to get connected until it is upgraded. It seems that ‘GONE LIVE’ does not necessarily mean the same thing to all people!

There is more information from BT on the village website(<http://enfordnewsletter.org/index.php>).

If you have any information to add, please put it on the blog at (<http://broadbandinenford.blogspot.co.uk/>).

## **ATTENTION ALL GARDENERS!**

### **FROM THE PLANT STALL COMMITTEE OF ENFORD VILLAGE FETE**

We seem to be gathering a good reputation from local gardeners who come in their droves to buy annual flowering plants, shrubs and perennials from the Plant Stall at the June Fete.

If any of you have a space in your greenhouse or on a windowsill for a few seed trays of Cosmos, Cleome, Larkspur or any other pretty flowering annuals I'd be really grateful as they are big sellers and the more the merrier!

I am happy to take them over once you've potted them on and they are ready to be left outside (i.e. about May, when all frost risk is over) if that would help you out.

## **ENFORD CYCLING**

Enford Cycling Group aims to give riders of all experience the opportunity to explore some of our beautiful local countryside.

## CHURCH WAR MEMORIAL Lychgate Appeal

The Parochial Church Council are extremely grateful to all who contributed to the Appeal to meet the cost of the repairs to our Lychgate War Memorial. Contributions have been received from the Enford Community Fund (£1000), The Samuel William Farmer Trust (£1500), Tidworth Area Board (£1000), Donations (£1510), part Remembrance Day Collection after £500 to SSAFA (£172), Parish Hall Jumble Sale (£204). These contributions total £5,386 which almost matches the £5,820 cost.

Thank you everybody!

### A Team Vicar’s Musings

By the time you read this we will have had the ANZAC commemoration service in Durrington Cemetery. It has made me think of the people whom we will never meet who have helped us in various ways; either as individuals or as a nation. It makes me feel quite humble to think that they travelled a long way to help only to die so far away from home. I wonder how many times we don’t want to travel a short way to another road in our village to help someone we know let alone travel to the other side of the world to help strangers.

The other thing is, that when we were in the cemetery the folks in Australia and New Zealand were ending their day and it reminded me of that lovely evening hymn - The day thou gavest, Lord is ended. One verse reads  
“The sun that bids us rest is waking  
Our brethren ‘neath the western sky,  
And hour by hour fresh lips are making  
They wondrous doings heard on high.” (John Ellerton 1826-1893)

What a wonderful thought - that the world is encircled by prayer, and we can be part of that at any time of the day or night. If you don’t know any prayer you need only sit in silence and thank God for all he has done and ask for peace in the world.

If you want to know more about prayer do contact me. In the meantime my prayers join those of others that you may know the Peace of the Lord in your lives.

## ENFORD CAMERA CLUB

On 12th April, the Camera Club had their first outing of the summer to the Tate Britain in London to see the Salt and Silver Exhibition, an exhibition of photos from 1840 to 1860. There were some stunning, artistic photographs made all the more impressive by knowing that they were all taken within the first twenty years of the birth of photography.

Afterwards, we undertook a photographic challenge entitled 'London Icons From a Different Angle'. We will be looking at our efforts at the next meeting.

Next month's camera club meeting has moved to **Tuesday 5th May** due to the general election on the Thursday. Otherwise, it is the same time (**8.00 pm**) and same place (Enford Village Hall).

We will be covering Manual Focus, Zoom and focussing off centre.

Our Show and Tell photographs will be **Reflections and Shadows** and the Calendar theme is **Flowers and Blossom**

We will also be reviewing our 'flaming wire wool' photos that we took at the April meeting

### A Date for the Diary

June meeting (**4th June**) at 8pm

As advanced notice, we have professional photographer, Zaid MEHERALI ([www.DefencePhotos.com](http://www.DefencePhotos.com)) coming along to talk about photography on Salisbury Plain.

This meeting is open to everyone for what promises to be a fascinating talk.

## **GARDENING CLUB MEETING REPORT**

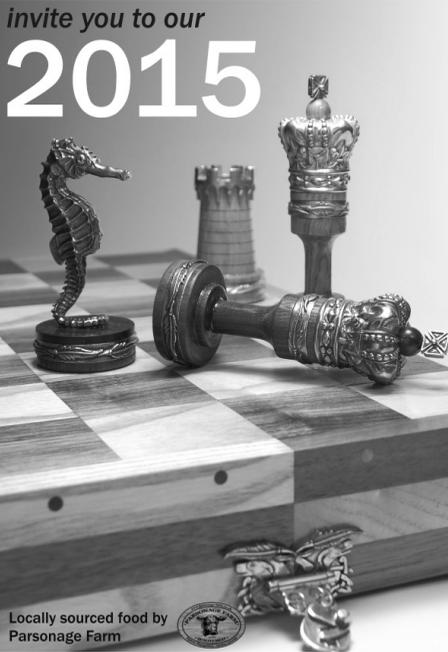

This month the Garden Club meeting had a different format - Rupert Wade, a Prize winning vegetable grower who by opening his garden, has raised over a thousand pounds for charity - held a Question & Answer session which judging from the many and varied questions, was a huge success. The questions ranged from depth to plant potatoes in a container, the best type of climbing French beans, feeding greedy rhu-barb to what was an ideal size for laying out a new veg. plot and many subjects in-between. The meeting was rather reluctantly brought to a close as we were in danger of overstaying our time in the Hall. It was decided that a visit to Rupert's garden in Market Lavington would be very worthwhile and instructive. The committee had decided that for some fun, everyone who wished to, take home and plant sunflower seeds which were handed out and will be judged in September, tallest being the winner. The variety states they grow to between 8 - 10 ft. so watch out!! Gai Rickett
