## A word from Our Team Rector:

A boy swallowed a penny by mistake. He was absolutely distraught - not because he'd lost the penny, but because he thought he was going to die. In a bid to make his Son feel better, the father took out another coin and pretended to take it from behind his ear and said don't worry - it was there all along. The boy greatly relieved took the penny, swallowed it and said "do it again daddy".

It didn't cost much to make the little boy feel better. How much does it cost, to make us feel better? There's a painting by the Spanish artist, Francisco de Zurbaran, completed in the late 1630's. I first saw it in the Millennium exhibition "Seeing Salvation" at the National Gallery - it was there with other wonderful works such as Holman Hunt's "Jesus the Light of the World", and Dali's "Christ of St. John of the Cross".

It's called "The Bound Lamb" and the naturalistic skill of the artist, depicting a young lamb in amazing detail, is plain to see. But Zurbaran was keen to show us more than His artistic skill. He was concerned to illustrate theological truth. The Lamb is helpless, all four legs are tied together. It seems almost resigned to its fate - what is that fate? Well, the lamb is lying on a stone slab. It is ready for the butchers knife. The starkness of the white fleece against the dark background emphasises the purity of the lamb, that it is unblemished, without spot or stain. The rope and passive posture emphasise the helplessness of the lamb, and the contrast of the stone slab and soft fluffy fleece seem to stress, all the more, the sheer costly sacrifice being laid out before us.

For Zurbaran, this is Jesus - the one who paid the ultimate price, in order to set us free. It portrays something of the personal cost to Jesus of our salvation. John the Baptist called out to Jesus, prophetically, "Look, here is the Lamb of God, who takes away the sin of the world." This description uses the language of sacrifice, and this language isn't easy for us to cope with, because it's no longer common currency. The Scriptural notion of Sacrifice is about necessity. The guilt that we call sin can only be removed by the payment of a penalty. It's not a pretty solution. Only the shedding of blood expresses the gravity of sin. Sin threatens to separate us from God forever and that's serious. Imagine being unable to experience love? Forever? But God couldn't leave it that way. Through sheer love, He sent Jesus to restore that relationship between us and God. Jesus died with our sin and rose from the dead to show us that it had been dealt with once and for all. We are forgiven!!!

That why we can truly say Happy Easter....

Rev Philip Bromiley (Team Rector).

## **WILTSHIRE COUNCIL**

### **Waste services update**

#### **Introduction of proof of address scheme at Wiltshire's household recycling centres**

##### **1. Background**

This briefing note updates you on the introduction of a proof of address scheme at Wiltshire's household recycling centres. From 9 April 2018, residents visiting the sites may be asked to provide a proof of address in order to use the household recycling centre. This must show that the visitor lives in Wiltshire (excluding the Swindon Borough Council area) as these sites are funded by Wiltshire Council for residents to deposit their household waste.

##### **2. Frequently asked questions**

Below are some questions and answers which have been prepared and will be provided to residents on the council's website.

###### **What is changing?**

From 9 April 2018, users may be asked to provide a proof of address in order to use the household recycling centres. This must show that you live in Wiltshire (excluding Swindon Borough) as these sites are funded by Wiltshire Council for use by residents.

###### **What will prove that I live in Wiltshire?**

A form of ID which shows your name and full address will be required. Acceptable examples include:

- Driving licence
- Council tax bill
- Utility bill (either a printed or an electronic version is acceptable) •
- Your van and large trailer permit, if you are visiting the site in this type of vehicle.

Digital versions (e.g. an electronic copy of a utility bill which displays your address on a phone or tablet) are acceptable.

###### **When will this start?**

You may be requested to show your proof of address when visiting HRCs from 9 April 2018.

###### **Will I be allowed to visit the site if I do not have my proof of address?**

No, you may be asked to leave without being allowed to dispose of your waste.

###### **Will my details be recorded and stored?**

The site operators will only ask to see your proof of address, they will not record or keep this information.

###### **If I live outside Wiltshire, can I pay to visit the site?**

No, residents who live outside the Wiltshire Council area should use the sites provided in their own local authority area.

*Continued/...*

**If I live outside Wiltshire, can I pay to visit the site?**

No, residents who live outside the Wiltshire Council area should use the sites provided in their own local authority area.

**Will I have to present my proof of address every time I visit?**

Yes, you may be asked for your proof of address each time you visit any of Wiltshire Council's recycling sites.

**Can the council provide a car sticker instead of me having to prove my address each time I visit?**

There are currently no plans to provide car stickers as an alternative to residents providing their proof of address.

**Why are you requiring proof of address?**

To ensure that access to sites is protected for anyone living in the Wiltshire Council area. Dealing with waste is becoming increasingly expensive and as these sites are funded by Wiltshire Council for use by its residents we need to ensure that we do not incur costs associated with receiving waste from people who live in other councils' areas. People who do not pay their council tax to Wiltshire Council should use the sites provided in their own local authority areas.

**3. Communications**

Residents will be sent a leaflet with their council tax bill advising them of the introduction of the proof of address scheme. Residents should receive these from 12 March 2018. Residents will be advised on site about the changes through banners and leaflets. In addition, the council will promote the changes on the council's website, through press releases and social media updates. During the introduction phase of the scheme, residents from outside the county or residents who do not provide their proof of address will be advised of the changes but will be allowed to deposit their waste on that occasion.

**4. More information**

If you require any further information about the introduction of this proof of address scheme outlined above, or if you have any questions, please contact the officers below –

Head of Waste Management

**Congratulations!**

Congratulations to Matt Fielding of Coombe Lane who rode Adrenalin Point to victory in the novice riders race at a recent Larkhill Point to Point. Although he has been placed several times in the last 2 years it was Matt's first winner, and earned reports in the *Salisbury Journal* and the *Horse and Hound* (the latter accompanied by a photograph). Matt works for Seamus Mullins, who trains Adrenalin Point, and he will be attending an amateur jockey's course in Newmarket soon.

## Don't Forget

### SUMMER FETE at ENFORD

Saturday 30<sup>th</sup> June 2018

A fantastic afternoon for ALL the family!

### HELPERS NEEDED

The fete cannot take place without sufficient helpers to man all the stalls, games and attractions, serve refreshments and marshal parking. PLEASE if you can spare an hour or two on the day get in touch with Mandy by email ([amanda.farrow@chisenbury.co.uk](mailto:amanda.farrow@chisenbury.co.uk)) or telephone 671343. Don't assume we have all the help we need as each year we struggle and have had to cancel plans for some events because of a lack of help. If you enjoy the fete and want it to continue, come and help for while!

### HOME PRODUCE STALL & TEAS

Can you spare a few plants or perhaps make a cake? The home produce stall will need supplies of both and the tea tent would be a sad place without a slice of cake or two! Both can be brought along on the day, or alternatively contact Mandy (details above) to arrange to "drop them off" beforehand.

## **ENFORD VILLAGE HALL NEEDS YOU!!**

The Village Hall Committee are looking for volunteers to take on the following two roles which could be combined if someone enjoys a challenge! The Hall does not run itself but it is lucky to have a good and dedicated team including the hard working Treasurer, Grounds Officer and Maintenance Officer all making sure the finances are well run, and the grounds and building are well maintained.

### **Secretary**

To help with overall administration including taking Minutes of Committee Meetings, which take place every two months.

### **Booking Secretary**

Dealing with booking and invoicing. Running the online booking diary and invoicing system, dealing with enquiries, helping hirers to ensure everything runs smoothly and arranging visits from potential users.

This position entails around 4-6 hours a month depending on how busy the hall is.

The two roles could easily be combined if you have an eye for detail and enjoy administration!

Please contact 01980 670501 or [enfordvillagehall@btinternet.com](mailto:enfordvillagehall@btinternet.com)

The next Committee Meeting is on Tuesday 8th May - if you think you might be interested in helping then do come along.

## **Dog Poo Bags**

PLEASE can whoever is leaving their disgusting filled dog poo bags on the bridleway in East Chisenbury either take them home, or LEAVE THE DOG POO!! At least the dog poo will disintegrate in the rain. Just flick it to the side with a stick.

Littering is an offence and surely if our beautiful countryside is valued at all, no one would want to fill it with plastic bags by committing such an ignorant and illogical act.

Kate Briscoe, 01980 670573

PS – Over 100 bags have been collected recently by our friends and conscientious neighbours.

## Thank You From The Village Hall Committee

A big thank you to alexander Heroys for organising the showing of the film "The Gospel of St. Mark". The Lumo Project is a team filming the Bible in its original works. The St Mark film immersed the viewer in a stunningly visual and artistic representation of first century Palestine with the original narrative. Everyone who came enjoyed the evening very much, and thank you to Clive Bullen, Martin Browne and Bushan Vohora for helping set up the screen and projector.

Another big thank you to Mort Burdick for arranging the very enjoyable Spring concert with the Pewsey Male Voice Choir. A delicious Ploughman's Supper accompanied an evening of wonderful singing which again was enjoyed enormously.

The Village Hall Committee would like to thank everyone for the generous donations the hall has received from both these events.

Continuing our series of 5 emails from Lisa Goodship, daughter of Enford residents Jenny and Paul, telling of a short but eventful trip she made with her boyfriend, Dallas, to India. We will be publishing their story over the coming months and hope you all enjoy them. Lisa and Dallas currently live in New Zealand.

## **Impressions of India**

### **Part 3 - Just because the tap says 'H' doesn't mean the water's hot**

Today we had a short bus ride to a tea factory where we learnt about the process of growing tea trees through to 'tea as we know it' being graded for quality and then sent to auction for sale. The Tea tree itself is actually a tall growing tree that is kept to a 'Bonsai' size specifically for picking leaves. They live up to 100 years, but the age of the tree from which you pick determines the type of tea produced. White Tea is made

from the tall central thin leaf, picked early in the day and green tea from the first two leaves from trees aged less than 15 years. The leaves undergo a drying process and are then roasted. The temperature at which they are roasted again depends upon the type of tea being produced; Green tea a low heat, then black, white and powdered tea (which is the most common form of Indian tea (which is mixed with Marsala, cinnamon, cardamom, pepper...) is roasted above 100 degrees. The women are the ones who mainly pick the leaves (men tend to work in the factory) as women have longer fingers and more patience than the men. I know you may have to read that last bit twice but, yes it's true!

Their salary requires them to collect 30kg of leaves a day (the filling of two bags) and anything above this is a bonus! The factory also covers the medical costs and provides accommodation and education for the employees' children. Following the tour we got to sample various tea flavours and have purchased both chocolate and masala tea – yum!

We then travelled on to the Nilgiri toy train. The railway was completed in 1908 and travels a distance of 46km from Coonoor to Udagamandalam (Ooty). It rises from 6159 feet to 7228 feet above sea level and is the steepest railway in India with a gradient of 1:12. The journey took about 1 hour and the views into the valleys below were amazing, with small communities with vibrant coloured houses dotted amongst the vast tea plantations.

We then had one and a quarter hours free time in which Dallas and I decided to discover the highlights of main town, Ooty. Having done my research I was on a mission to buy some 'homemade' chocolate which is a known speciality in Ooty and boy was I disappointed?! Having pondered over the various flavours I decided to try fruit and nut. The fruit and nut would have been nice had it not been combined with what tasted like cooking chocolate and certainly not the Cadburys variety!

*Continued/...*

*Impressions of India continued*

My taste buds were also in for a treat when having paid our lunch bill we were presented with some Indian 'mouth fresheners'! To make the most of this trip and be a "local" I placed a spoonful in my mouth, only to remove it a second later! The taste reminded me of the granules you put in your drawers to fragrance them! Maybe I should have paid more attention to the fact that they looked like small insect larvae!

Well I think that covers today's adventures. We head off tomorrow into the national park, where we shall stay and have a wildlife trip. However, we have been told the chance of seeing tigers in the wild is very slim, fingers crossed though.
