## A word from Philip Bromiley our Team Rector:

### Church life

I rarely come across people who are “anti-church”, in fact, for many, the Church is a reassuring presence in our Villages. That said, I still suspect the Church isn’t very good at marketing itself. If the Church speaks of itself confidently, and looks to bring new people in, then it can seem arrogant and even pushy. If, on the other hand, the Church is reticent at presenting its message to the wider community, it can seem aloof and perhaps cliquy.

The Avon River Team represents seven churches up and down the valley and there is much to celebrate at the moment. Every second Sunday at 10.30 am, we have a travelling Team Service that produces a nice full church and great singing. Every Sunday, we provide a variety of Services for all types of needs, styles and personalities. During the week, there are other services, home groups, prayer groups, coffee mornings, knitting groups, and more. We support five church schools locally and take Assemblies. Pastoral care is part of church life too, helping people through the key stages of life. We support two paid clergy, and an army of volunteers to build community, to pray and to work for the greater good. There’s a lot going on under the surface.

So, whether you drop in to the building quietly when it’s empty, or come at a major festival or occasion, or never at all, the Church is here for you. That’s our job. We are not a perfect church, so if there are ways we can help more or do things differently, please let me know. It really matters to us.

Every blessing,

Rev’d Philip Bromiley

## PARISH NEWS

Massive thanks to John and Tessa Manser for generously donating proceeds from their annual PRIORY TEAS to All Saints Church. It was a fantastic afternoon, the weather was kind, gardens amazing and cakes delicious!

We had over a hundred people in the church to enjoy SOUTH LONDON JAZZ ORCHESTRA concert, with a number dancing away to fantastic tunes. Many thanks to Henry and Fanny Middleton for organising this event. The band felt they got a warm welcome and we hope they'd come again.

On Saturday 10<sup>th</sup> August we will be holding the PARTY in the CHURCHYARD from 4pm till 7pm. This family-friendly social event will include BBQ, Bar, teas and cakes, children activities, church tower climbs and a raffle, to name but a few.

We would like to try something new to celebrate HARVEST TIME in Enford. We are planning a lovely hearty lunch, perhaps with an international flavour. Keep the date – 29<sup>th</sup> September 1pm and more details to follow in the next newsletter.

### Don't Forget!

**The Church is open daily from 9.30am to 4.30pm.

### REMINDER TO ALL HOUSEOWNERS

If your property is on one of the narrow roads through the village it is very important that you keep your hedges, trees, shrubs etc within your property boundary. This also applies to any plants growing on the outside of a wall or fence.

When these plants are not attended to they become overgrown very quickly, particularly during the summer months, and this in turn reduces the visibility and safety of all road users – vehicles, cyclists and pedestrians. As the owner of such a property it is your responsibility to keep these plants under control, thus keeping our narrow roads as safe as possible for everyone.

## The Enford Flyers

The Enford Flyers line up before setting off to cycle around the I.O.W, the route varied depending on who got lost but averaged 70 miles completed on a glorious day in June.

This photo shows the Flyers that took part in supporting The Samaritans by cycling either the 25, 50 or 100mile sportive to raise funds for the Salisbury branch. Only one minor crash and some wobbly legs for seven of the team that completed the 100mile route.

The Enford Flyers is not a club but a group of individuals from the village that started cycling to get/keep fit.

**COME AND JOIN US  
FOR AN EVENING OF  
DARTS**

at The Swan  
Hope to see you there!**

## Lammas Day

This is a feast celebrated by pagans and the Christian church alike and for the common reason that it marks the first grain harvest. However, the source of the word "Lammas" is not shared.

For Christians, it comes from the term "Loaf-mass" referring to the day on which loaves of bread were baked from the first grain harvest and laid on the church altars as offerings. The loaf was blessed, and in Anglo-Saxon England might be used afterwards to work magic, e.g. a book of Anglo-Saxon charms directed that the lammas bread be broken into four bits, placed at the four corners of the barn, to protect the gathered grain. In many parts of England, tenants had to present freshly harvested wheat to their landlords on or by the first day of August.

Earlier Pagan celebrations often took place on the last day of July. The success of the harvests determined the quality of life through the long winter months. The Celtic harvest season began when the first crops were gathered at Lughnasadh, named after the Celtic sun god Lugh. Corn dollies made from the straw of the first harvest would be kept safe through the winter and then buried in the spring with the sowing of the fields.

For many, the wheat must have run low before Lammas, and the new harvest saw a season of plenty earned by hard work and company in the fields, where it was reaped in teams resulting in a spirit of celebratory play. In the medieval agricultural year, Lammas also marked the end of the hay harvest which started after Midsummer. At the end of hay-making a sheep would be loosed in the meadow among the mowers and whoever caught it kept it.

## ENFORD HISTORIC AWARENESS BOARD

The Parish Council commissioned the Enford Historic Awareness Board and the first picture shows Sylvie Clayden (visitpewseyvale) who coordinated the project and Martin Webb, Enford Camera Club, who compiled the text and photographs, presenting the board to Richard Roberts EPC.

Just some of the information the board contains includes a brief history of the Parish, identification of some local historical sites, which are shown on an Ordnance Survey map. It also describes the local architecture, All Saints' Church, the river Avon the local wildlife plus much more. Please read.

Bench seat by the bus stop-board being refurbished by Cllrs Mark Hiskett, Richard Roberts with help from Bruce Waight (behind the camera!). The seat was originally installed nearly 40 years ago in memory of Cllr Jane Young's father who was tragically killed in a car accident

# CHISENBURY PRIORY OPEN GARDEN DAY JUNE 9th 2019

Following a very successful day, with over 260 visitors, we're delighted to say that we raised over £800 for Enford Church. A huge thank you to Tessa and John Manser for once again inviting us to use their fabulous conservatory and their garden to sell teas and cakes to their visitors. The beautiful garden always draws a large number of visitors and enables us to raise much-needed funds for our Church.

An extra special thank you goes to the very many helpers and cake bakers who make it all possible. It's a busy day with lots of very busy moments and you were all amazing - calm and organised and always smiling! We couldn't do it without you!

So, thank you again from us both and hope to see you next year!!

## Pewsey Carnival Local History Talk 2019

7.30 pm on Friday 13<sup>th</sup> September in Pewsey Methodist Church.

**ENFORD PARISH COUNCIL MEETING**  
**Draft Minutes of the meeting of 9<sup>th</sup> July 2019. Held in the Village Hall.**  
**To be verified at the meeting of, Tuesday, 10<sup>th</sup> September 2019**

**19/077 Police Matters and Neighbourhood Watch**

Cllr Exley first noted that the Neighbourhood Watch scheme are having their Annual Meeting at the Police HQ in Devizes and they are looking for volunteers, unfortunately she is unable to attend. She then gave an abridged version of the Police report which is focussing on protecting one's house – shutting doors and windows etc despite the heat. Although nothing had been reported for Enford, the nearest incidents recorded were in Netheravon and included class A drugs, shoplifting, theft from a garden shed and hay bales set on fire. At Everleigh rocks had been thrown at a car. If you need to report to the Police remember to use 101 unless it is an emergency. As of next week, Cllr Exley will be starting a new job in the Police and Crime Commissioner's Office which could potentially create a conflict of interest and therefore anyone willing to take on the Police/Neighbourhood Watch representative role would be most welcome.

**19/078 MOD/Army Matters**

WO2 Jeff Payne was unable to attend the meeting and had sent in an incident report which reads as follows: Near misses: 10 x Total (vehicular – 4, on foot – 2, on cycle - 2, general -2). Fly tipping: 15 x Total; Environmental: 11 x Total (fires x 11); Criminal Damage: 4 x Total; Complaints: 2 x Total (noise x 2); Livestock: 2 x Total incidents of cattle loose. Accidents: 6 x total (all military)

The centre range closes for Summer Maintenance after 1700hrs on 26<sup>th</sup> July and re-opens at 0830hrs on 19<sup>th</sup> August. There were no further questions.

**19/079 Unitary Council Matters**

- WCllr Ian Blair-Pilling reported that Philip Whitehead is now the new leader of the Council and he himself has been moved into the cabinet with new roles including ICT and many more.

- W.C. are granting £50,000 of tax-payers money to the setting up of a mutual bank. This will go towards the £200,000 licence fee for creating the 'Avon Mutual'. Its purpose will be to service small micro businesses and support those who are unable to get a 'normal' bank account. It is intended to have 'pop up' banking in those areas which have no local bank and they hope it will start next year.

-Boundaries Commission. There is an extra consultation period on this which is delaying progress and also putting the parish boundary decision process under greater time pressure to be resolved by 2021.

-Paths for All. The next meeting is on 17<sup>th</sup> July at 7pm in the Collingbourne Kingston Hall.

-The next Tidworth Area Board (TAB) meeting will be on Thursday 18<sup>th</sup> at 7.00pm in Enford Village Hall and the next Community Area Transport group (CATG) meeting will be on Monday 22<sup>nd</sup> in Tidworth.

Cllr Hiskett asked if his new roles in cabinet would change his role with the local parishes, he said no it would not. Cllr Hiskett also raised the matter of speeding traffic through Longstreet. If W.C. agreed to do a 'metrocount' (recording the number of vehicles and speed over a period of time) it would cost circa £2,400 and the Parish Council would be expected to pay 25% of this. It would not guarantee a reduced speed limit. Cllr Coulthard has said he will ask about this at the next CATG meeting.

With no further points raised, W.Cllr Ian Blair-Pilling left the meeting at 8.10.

**19/083 Matters Arising**

- i. New Salt bin for Fifield. The Clerk has chased this again (3<sup>rd</sup> time). The Highways Dept. must first give their permission for the location and they are notoriously slow in decision making. It was thought they may possibly leave this item until the winter when a new salt bin might actually be 'needed' rather than 'wanted'.

-ii. Relocation of the bin from Coombe Lane footpath through to the centre of Fifield. The Clerk has chased this again and the cost of re-location will be £61.45 + VAT. The contractor was told to proceed.

-iii. With Susie Browne's departure from the village the Council needs to find someone to check the defibrillator on a weekly /monthly basis and report the status to the Webnos system. The Clerk has previously contacted the new owners of Hill House about this but has not yet had a reply. In the absence of anyone coming forward it was suggested that perhaps a rota of Cllrs

could do this or possibly The Swan might be asked to re-house it and report. The Clerk has been asked to get a definitive instruction from Susie Browne as to what is required

-iv. Village Information Board. This has had a great many positive comments however there had been objections to the reference to the rare Montagu's Harrier. Cllr Hiskett explained that the text is very general and does not place the birds at risk. He added that a search on Google would provide far more detailed information than is on the board. If anyone has any further objections, please contact Cllr Hiskett.

-v. Renovation of the seat by the bus stop. This has been completed and is very much appreciated by all.

#### **19/084 Finance**

The Clerk reported that at the end of June there was a balance of £16,553.22 in the account. A total of £3,499.77 had gone out during June (this was mainly the annual donations and Section 137 donations) and there had been a credit of £1,000. This was a donation from the Samuel William Farmer Trust which will cover the cost of the Village Information Boards and the rest will go towards the new village noticeboards which are in the pipeline for later this year. The second tranche of the Precept is due in mid/late September.

There were no questions.

#### **19/085 Planning Applications**

19/05681/FUL – Grants Road, ground floor extension. The Council has no objection.

19/06064/FUL – Enford Hill, changing of front door/porch. The Council has no objection.

19/06067/FUL – Enford Hill, extended parking area. The Council considered this second application and continue to be concerned about traffic safety on Enford Hill and on the A345. It was agreed to ask the Highways Department to inspect the site. If they are 'happy' with the Planning Application then the Parish Council would not object to the increased parking area.

19/06291/TCA – Rose Cottage, removal of Sycamore Tree. The Council has no objection.

#### **19/086 New Playpark**

Cllr Young said there was nothing new to report and acknowledged the supplier contact the Clerk had sent. They have supplied some of the existing equipment and would send their surveyor to check the site and draft a new layout with new equipment. It was thought that whether or not the freehold of the extended area would be obtained, the existing equipment was in need of updating and the Clerk was asked to contact the supplier for preliminary thoughts. There is a balance of £3,789.64 in the fund-raising account which is approximately a third of the figure required.

#### **19/087 The Parish Hall**

Cllr Cliffe-Roberts said there was no news at present. Wiltshire Council's target date for a decision was 1<sup>st</sup> July however the officer handling the application is on holiday until next week.

#### **19/088 Roads and Highways**

Cllr Coulthard first of all apologised for his late apologies at the last meeting. He is in touch with the Parish Steward (Gabriel) and will be meeting him to set out exactly what he will and will not do. He is also concerned at how to 'gather' the jobs requiring attention in from the village. It was suggested placing a notice in the Newsletter on a regular basis. Various over growing hedges, bushes etc were mentioned and the Clerk will put a notice in the Newsletter asking owners to keep their trees and shrubs within their own boundaries.

#### **19/089 Public Rights of Way (PRoWs)**

Cllr Hiskett said he would be attending the 'Paths for All' meeting next week. One idea has been to group villages together to create 'circular' walks possibly with notice boards for info, maybe have Treasure Hunts etc – anything to create a greater usage of these paths for all age groups. Volunteers are always wanted!

#### **19/090 Correspondence**

-i. The Clerk has received a letter from Wiltshire Search and Rescue, basically asking for a donation. It will be scanned and sent to all Cllrs in due course.

-ii. An email had been received by the Clerk regarding the debris on Bridleway 8 (as reported in the Minutes of March 12<sup>th</sup> under Public Questions 19/020.i) which has since been cleared and also the apparent increase in traffic speeding through Longstreet. Cllr Cliffe-Roberts asked whether the Speedwatch group could be moved to cover this area. Cllr Hiskett replied there are two approved areas on the A345 by the top of Enford Hill and one area by the Longstreet bus stop at the bottom. These locations have first to be approved by Highways, Health and Safety and the Police, one cannot simply 'pick a spot'. An exercise at the bottom of

Enford Hill was tried recently on a Friday afternoon and 4 or 5 cars were clocked doing 17mph. He added that in the confines of a narrow road a vehicle will appear to be travelling faster even if it is within the speed limit

### The Enford Community Fund

Funding is available to help projects/events in the Parish of Enford (which includes East and West Chisenbury, Coombe, Fiffield and Littlecott).

Applications for awards must be made to the treasurer, Amanda Farrow, by email or letter, no later than the first day of the award month (March and September).

[amanda.farrow@chisenbury.co.uk](mailto:amanda.farrow@chisenbury.co.uk) or 537 East Chisenbury.

The following guidelines will be followed in allocating funds:

1. Awards will be considered every 6 months in March and September.
2. Awards will be made for individual projects and are not designed to allow awardees to become reliant on the award on an annual/regular basis.
3. Awards will be made to causes that benefit the community and not specific individuals.
4. No awards will exceed £1,000.
5. For any award to be made, there must be agreement by at least 75% of the Committee.

### Badminton Horse Trials Winner 2019

Congratulations to Kate Stevens (nee Jackson) on winning the "Breeder of the Winner" award at Badminton International Horse Trials earlier this year. Kate bred not only the winning horse, Vanir Kamira (aka Tilly) ridden by Piggy French and owned by Trevor Dickens, but also her dam, Fair Calendonian. Kate, who was an Irish Shows Association panel judge of Ridden Hunters and Youngstock, returned to England in 2012 and has recently made her home in Palmerston Meadow, Enford, with husband Alistair. Although she no longer has horses, she keenly follows Tilly's career and hopes to see her in action again in the near future.
