Thoughts from Rev Simon Pope, team curate.

Trinity and Community

As we enter the month of June, the church turns our focus to the mystery of the Holy Trinity, which is celebrated on Trinity Sunday. The Holy Trinity - Father, Son, and Holy Spirit - is the central doctrine of the Christian faith and one of the most profound mysteries of our belief.

The Holy Trinity reveals to us the inner nature of God, who is three distinct persons in one divine being. It teaches us that God is a loving and relational God who desires to be in relationship with us. As we consider this mystery, we are invited to enter a deeper bond with the Triune God and to contemplate the ways in which we can live out this relationship in our daily lives.

The Holy Trinity reminds us of the importance of community and relationship. Just as the three persons of the Holy Trinity are distinct yet united, so too are we called to live in communion with one another. Joined together in unity, yet not conformity, celebrating our differences yet flourishing together.

As we journey together as a community, let us strive to build relationships of mutual love and support, reflecting the love and unity of the Holy Trinity.

I have enjoyed my first year in this community, my family warmly welcomed by so many. I am thoroughly thankful for all of you! I look forward to deepening those relationships and continuing in mutual love and support through the years ahead.

Every blessing, Rev Simon Pope (Team Curate)

RED LION: Recipe of the Month

Courgette, Pea and Broad Bean Samosas

Creates about 30 small samosas.

Equipment:

Pastry brush, colander, bowls

Fryer/controlled frying environment @ 180C

INGREDIENTS

Feuille de Brick pastry (or Filo pastry)

150g Fresh peas podded (or frozen)

300g ½ cm diced courgette

70g diced onion

4g cumin seeds

4g medium curry powder

150g Double podded broad beans (frozen can be used but still podded)

100g ½ cm diced cooked potato

2 cloves chopped garlic

4g Garam masala

1 Tbsp plain flour

Dice the courgette, lightly salt and leave in a colander over a bowl for 30 minutes. This de-gorges the courgettes, seasoning and softening them at the same time.

Dice the potatoes, and bring to the boil. They will cook quite quickly. The aim is for a cooked potato that holds its shape, not mash! When at this stage strain and drain.

Sweat the onions and garlic in a little oil until softened. Add your spices and toast to release maximum flavour. Add your courgette and cook for 2 minutes. Next add the potato, peas & broad beans and cook for a further 2 minutes. Check seasoning. Allow the mix to cool.

When mix is cool take 1 tbsp plain flour and add just enough water to make a paste. Take a sheet of feuille de brick (filo can be used) and cut into 2-2 ½ inch strips. Take about ½ a dessert spoon of mix and place at the bottom of each strip. Fold the pastry on itself in triangular folds. Ensure you keep folding in this way whilst keeping the mix enveloped inside. Seal with the flour paste. You can make different sized samosas if you wish.

Fry @ 180C until golden, small samosas generally take about 3 minutes to cook. Remove from the fryer and drain on kitchen roll, sprinkle with a touch of salt and enjoy.

Eat them as they are, with a mint or mango chutney, or as a side to your own curry!

About our school

Rushall Church of England Primary School is a small village school with strong ties to our community. We are family-orientated and we strive to know our children and families extremely well, ensuring we have a collaborative approach to supporting them along their learning journey. We have a committed governing body, but we are currently looking to expand and strengthen our board of governors.

The main responsibilities of a governor

Working as part of a team you will:

- Set the strategic direction of the school.
- Hold the school leadership to account for the performance of the school.
- Make sure that resources are used well, and that money is well spent.

Requirements

There are no specific qualifications for the role of governor. You just need an active interest in our school, an enthusiasm for your role and time to commit to the required responsibilities.

The time commitment

Approximately 8-10 hours per month spent attending meetings, visiting the school and undertaking relevant training.

Why volunteer?

Volunteering as a school governor is a great opportunity to gain leadership experience at board level as well as transferable skills that enhance performance and employability. Most of all, you will have the satisfaction of making a real difference to children's lives and helping them to realise their potential.

If you are interested in becoming a governor at Rushall Primary School or would like further information, we would love to hear from you.

**Remember your loved ones
with Prospect Hospice's
'Remember Me' roses**

Prospect Hospice is pleased to announce the launch of its 'Remember Me' roses to celebrate the lives and honour the memory of loved ones who have died.

The campaign invites supporters to purchase a beautiful rose, made from recycled metal and available in four colours; red, pink, white and yellow. Each rose will be tagged with the name of the person being remembered and will be displayed in the hospice's gardens, forming an art installation to be revealed at the hospice's annual garden fete on 9 September. After the display draws to a close at the end of September, you will have the opportunity to collect your very own rose as a keepsake to cherish at home.

The Remember Me Roses are a perfect way to hold dear the memory of someone special and help support the work of Prospect Hospice at the same time. All funds raised through this campaign will go towards providing specialist end of life care for those who need it most.

Can you Help Families in your area?

Home-Start helps families with children under five who are experiencing tough times. Volunteers visit families weekly to help them cope with challenges such as: isolation, low mood, financial worries, or twins. Support is tailored to need. It could be accompanying a parent to a playgroup or playing with a child whose parent is too ill. Often, just listening makes all the difference.

We're looking for volunteers with:

- ✓ A friendly, positive nature
- ✓ Great listening skills and empathy
- ✓ Parenting skills/relevant life experience
- ✓ Time to visit families weekly for 2-3 hours

We offer professional training, mentoring & personal development. Expenses paid.

Police and Crime Commissioner: Philip Wilkinson

Wiltshire Police have faced low points in the last year but it is becoming clear some of the improvements put in place are starting to deliver - and with a new leader at the helm, the Force is in safe, steady, hands. Chief Constable Catherine Roper's drive and commitment to delivering a quality policing service to Wiltshire residents, which is contributing significantly to Making Wiltshire Safer, has been apparent since she took the role. Focused strategic direction introduced immediately looked to answer the criticisms in the HMICFRS PEEL report with Chief Constable Roper leading her officers, staff and volunteers from the front and with the implementation of clear priorities for the Force: Safer Public Spaces, Violence and Burglary. Communities have been seeing focused operational work to tackle serious violence through increased engagement, highly-visible, and proactive, policing. This is alongside a commitment to attend 100% of residential burglaries. Currently, the Force detection rate for burglaries is 9.7%, which is a significant improvement, but I will always challenge for more. I know residents want safer roads, safer communities with more police officers – this hasn't been lost on the new Chief. Significant focus has been given to consistent proactive roads policing, stop checks, continued speeding enforcement in hotspots and increased engagement with all communities. With support being given to our fantastic Community Speed Watch volunteers by the Force's Speed Enforcement Officers, and the work of the Roads Policing Unit, notices of speed awareness courses, fines and court summons have increased from 192 in 2021 to over 2,000 in 2023's first five months. In addition, the Force recently hit government's officer recruitment targets, achieving the highest number of officers since 2008. It has also introduced a quicker, non-degree, route to get police officers through training in 20 weeks and on to our streets. Wiltshire Police remains in the Engage process but I am confident the reforms and improvements put in place by Chief will improve in those specific PEEL report areas of focus, for example: victims' service, 101 and 999 improvements, increases in justice outcomes for rape and serious sexual assault.

All of this is really promising progress, and excellent delivery of my police and crime plan, but I, and my office, will continue to support and challenge Chief Constable Roper to deliver on behalf of Wiltshire's residents.
